Since its inception in 1995, NeoAsia has been dedicated to bringing the most technologically advanced aesthetic equipment and skincare products to the medical community and consumers.

“ Recognizing the need for aesthetic practitioners to keep their art at its peak, we strive to keep our clients at the forefront of aesthetic trends by keeping our fingers on the pulse of the global aesthetic market and bringing the finest technologies from all over the world to our customers. ”

We meticulously evaluate each technology to ensure safety with optimal results, ease of use, and attractive price point.

NeoAsia prides itself in setting the standard for aesthetic technology consulting, sales, rentals and services. We do this by combining cutting-edge technologies with exceptional relationships and premier services that extends well beyond the sale. What sets us apart from our competitors lies in the way we focus on our customers' satisfaction, balance our knowledge of technology and the aesthetic market with unrivaled client support, giving our clients the turnkey advantage.

NeoAsia's corporate headquarters is situated in Singapore, with distribution networks extended to Brunei, Cambodia, Indonesia, Malaysia, Thailand and Vietnam.

Welcome Message

Dear Delegate,

It gives us great joy and pleasure to invite you to the 4th edition of Aesthetics Asia Exhibition and Congress, held in conjunction with Aesthetic Dentistry 2012, at the prestigious Marina Bay Sands, Singapore.

Aesthetics Asia has evolved into Asia's most prestige aesthetic congress and exhibition and has established itself as a major event for the aesthetics industry in Singapore and across the Asia Pacific.

In 2012, our scientific committee has ensured the program has an increased number of international key opinion leaders, sharing their wealth of knowledge and experience across the aesthetic sectors.

From now until 2016, the overall Asian aesthetic market will grow by an impressive 18.1% per year, outpacing gains in all other world regions. Aesthetics Asia remains a distinctive channel for regional and international companies to penetrate the Asian market and for Asian aesthetic professionals to come together and learn of new ways to maximize skills and put them into practice.

In 2012 we are excited to announce the launch of the Aesthetic Dentistry Congress and Exhibition, in association with the Aesthetic Dentistry Society Singapore (ADSS), Association of Oral & Maxillofacial Surgeons

(Singapore) (AOMS) and Association of Orthodontists Singapore (AOS). The scientific committee has gathered world-class dentists to this progressive multidisciplinary meeting with the main goal to impart dentistry excellence to each participant through a practical and interactive educational format, featuring new aesthetic procedures, products and technologies.

The Aesthetic Asia 2012 congress program will cover 4 core tracks:

- **Aesthetic Plastic Surgery**
- **Anti-Aging Medicine**
- **Aesthetic Dermatology**
- **Aesthetic Dentistry**

Aesthetics Asia will also host workshops from leading practitioners to illustrate the latest techniques and products.

With a diverse, content-packed program lined up, we are confident the congress will be a rewarding and enriching experience for one and all.

We look forward to welcoming you to Aesthetics Asia 2012!

Best regards,
The Aesthetics Asia team

WHY ATTEND

Aesthetics Asia offers an exceptional opportunity for you to:

- **Hear** from leading international figures
- **Explore** critical updates in your specialist field
- **Network** with your peers from across the globe
- **Review** real case studies and engage in lively debate
- **Discover** ways to improve services within your organization
- **Listen, Learn** and put new skills into practice

THIS CONGRESS IS A MUST ATTEND FOR

- Aesthetic Practitioners
- Anti – Aging Physicians
- Chief Medical Officers
- Chief Surgeons
- Dental Assistants / Hygienists/ Technicians/ Nurses
- Dental Practitioners
- Dentists
- Dermatologists
- Endodontists

13-15 SEPTEMBER 2012, MARINA BAY SANDS, SINGAPORE

Asia's First Conference for Dental Aesthetic Disciplines

IN ASSOCIATION WITH

"Aesthetics in Dentistry Today"

Due to modern technological breakthroughs in the field of aesthetic dentistry, it is very important for dentists to keep up with all that is new and developing to improve the treatments they provide to their patients.

Rapid advances in facial aesthetics and orthodontic dentistry give modern dentists the ability to deliver quicker, longer lasting and more cost effective results than ever before. Aesthetic dentistry provides outstanding level of care and the perfect smile makeover for every patient in need.

Aesthetic dentistry, dental implants and facial aesthetic treatments are a huge growth area. With the right knowledge, the skills of a dental surgeon can be maximised to combine the latest in surgical and aesthetic dentistry with contemporary facial rejuvenation.

About Aesthetic Dentistry Congress

To provide a venue for learning and promote excellence in specialist dental care in Asia, IIR Exhibitions Pte Ltd, in association with Aesthetic Dentistry Society Singapore (ADSS), Association of Oral & Maxillofacial Surgeons (Singapore) (AOMS) and Association of Orthodontists Singapore (AOS) is organising the inaugural 3-day Aesthetic Dentistry Congress on September 13-15, 2012 at the Marina Bay Sands, Singapore.

This 1st edition of Aesthetic Dentistry will offer the most recent advances in the fields of dentistry including solutions, guidelines and strategies based on current scientific evidence by international-renowned speakers. This is a must-attend congress for dentists already practicing or considering entering the dynamic field of cosmetic dentistry.

With the theme, Aesthetics in Dentistry Today, the congress focuses on interdisciplinary topics which will give new insights and new perspective, discuss all treatment options and techniques available to reach optimal aesthetic goal, health and safety of patients for clinical excellence.

This world class three day clinical congress and exhibition will be co-located with the 4th edition of Asia's largest event for medical aesthetic disciplines, Aesthetics Asia.

WHY ATTEND

The Scientific Committee has gathered world-class speakers for this progressive multidisciplinary meeting.

Their main goal is to impart dentistry excellence to each of the participants through a practical and interactive educational format featuring new aesthetic procedures, products and technologies.

- An extensive, world-class clinical programme
- 20+ international key opinion leaders
- Advanced educational sessions
- Hottest new procedures
- Live demonstrations
- Networking opportunities to promote, foster and share professional knowledge and experiences

WHO SHALL ATTEND

All Dental Professionals interested in aesthetics:

- Dental Assistants
- Dental Hygienists
- Dental Nurses
- Dental Principal / Partners
- Dental Surgeons
- Dental Technicians
- Dental Therapists
- Implantologists
- Laboratory Owners
- Oral & Maxillofacial Surgeons
- Orthodontists
- Periodontologists
- Practice / Business Managers
- Prosthodontists
- Wholesalers, distributors and buying groups
