

## Entry into Taiwan

Participants coming to the conference should advise whether they need a visa invitation letter sent, this can be done through the registration system. Please note that these invitations will only be sent once payment of the registration has been received in full.

To avoid disappointment please allow at least 8 weeks before your travel date for your visa application to be accepted, however this is dependent on being successful.

For further details on visa requirements please visit:  
<http://taiwan.visahq.com>

## Travel to Taipei

Taiwan Taoyuan International Airport (TPE) formally known as Chiang Kai Shek International Airport is the main international airport into Taipei. The airport is located about 30km away from the city. There are regular flights to/from Hong Kong and Macau, the airport offers international flights to/from major cities in America, Europe, Australia and Asia.

There are four transportation options at the airport: bus, high speed rail, taxi, and pre-arranged sedan. For further information please visit the conference website at [www.adi2013.org/general-information/travel-information](http://www.adi2013.org/general-information/travel-information)

## Sponsorship

Alzheimer's Disease International is looking for key industry partners to participate in the conference as sponsors and exhibitors – an exhibition prospectus is available on-line. If you are interested in taking part in the conference as an exhibitor or sponsor please direct your enquires in the first instance to:

INTERNATIONAL CONFERENCE  
Alzheimer's Disease International

第28屆國際失智症協會國際研討會

28th International Conference of Alzheimer's Disease International

失智症：迎接全球的挑戰  
Dementia: Action for Global Change

2013年4月18-20日，台北世貿國際會議中心 18-20 April 2013 Taipei

## 2nd Announcement and Call to Register 第二次報名通知

### Dear Colleague

On behalf of Alzheimer's Disease International (ADI) and Taiwan Alzheimer's Disease Association (TADA), we are delighted to invite you to join us at the 28th International Conference of Alzheimer's Disease International in Taipei from 18 to 20 April 2013.

This conference will bring together medical professionals, experts in dementia care researchers, family carers, people living with dementia and national Alzheimer associations from across the globe. It will be a unique opportunity to learn about the latest developments in diagnosis and treatment, improvements in the quality of care, approaches to building a dementia friendly community, and solving the difficulties and differences in policy around the world. It will also be an opportunity to focus on the care and management of people with dementia in the Asian-Sino region.

The conference is truly international in its nature with an anticipated attendance of over 1,000 delegates from over 60 countries and the attendance has been increasing year on year. Here are some of the reasons which make the ADI conference so successful:

- **Who's who in Alzheimer's disease:** The conference is an opportunity to meet and connect with the best researchers and top policy makers from around the globe. Hear the inspiring voices of carers and people living with dementia.
- **Unparalleled networking opportunities:** An amazing programme of dynamic presentations, workshops and exhibits, as well as plenty of opportunities to meet new people and old friends and learn from one another. You will be able to interact with the world's leading health care professionals; get insights into the latest innovations in Alzheimer care and best practices.

- **Add your voice to Alzheimer's disease:** Your attendance will not only help your organisation grow, but it will also help propel dementia to the top of the international health agenda.
- **Influencing change:** Discover how global decision makers are changing the face of dementia through policy change and other exciting initiatives, and how your organisation can make a difference.
- **Local meets global:** A strong local and international presence creates unique synergies and inspires new ideas in the pursuit of making a difference in the lives of those living with dementia.

Whether your interest in dementia is personal or professional, you share with us a common goal: to improve the quality of life for people with dementia and their families throughout the world.

We hope you will join us for this fascinating event in 2013, and enjoy our hospitality and share and gain new knowledge, whilst taking in the beauty of Taiwan.

Ming-Jang Chiu  
Conference Chair,  
Taiwan Alzheimer's  
Disease  
Association

*Ming-Jang Chiu*

Jacob Roy  
Chairman,  
Alzheimer's Disease  
International

### Venue Details

The Taipei International Convention Centre (TICC) is a spectacular tribute to the emergence of Taipei as a world-class business destination. Situated in the foothills of eastern Taipei's Hsin-yi District, it is easily accessible via public transport.

### CME Accreditation

CME accreditation has been applied for.

### Accommodation

Accommodation will be available for delegates to book as part of their registration process from early September, for further information please visit the conference website at [www.adi2013.org/accommodation](http://www.adi2013.org/accommodation)

### Social Events

A full programme of social events is being scheduled for the conference.

The opening ceremony will be held at the TICC on 18 April 2013 from 17:30. Following the opening ceremony there will be a welcome reception, also held at the TICC. The conference dinner will take place at Taipei 101 on the 86th floor. Taipei 101 is the second tallest building in the world and consists of offices, fine restaurants boasting fantastic views of Taipei and shopping malls. The price of the dinner ticket will include a drinks reception, three course dinner with wine and entertainment. Tickets can be purchased through the online registration system and will cost US \$80.00.

大會開幕式將於2013年4月18日在台北國際會議中心舉行，接著舉行歡迎酒會。大會晚宴將於世界第二高樓-台北101大樓86樓舉行，入場券80元美金，可於網路報名系統購買。

For information and further details regarding the conference please contact the conference secretariat:
