# IDEM Singapore 2016 - Striving for Clinical Excellence

The 2016 edition of IDEM Singapore continues the traditions established since its inception in 2000 – the very best of clinical dental practice, innovative techniques, and emerging biomaterials all presented and discussed by many of the world's experts in practice, education and research.

The theme, **'Striving for Clinical Excellence'** acknowledges the professional journey, that our learning is never finished, that we can always do better for our patient's oral health, through integration of newer technologies, scientific discoveries in all the health sciences, and an understanding of disease at the molecular level.

The invited speakers for IDEM Singapore 2016 all epitomize the ongoing journey of **'Striving for Clinical Excellence'**. They are leaders, role-models and mentors from private practice, publically-funded clinics, university teaching, cutting-edge research and development institutes, and government service. They will all present practical clinical techniques based upon widely-accepted evidence and emerging science.

Striving for clinical excellence also acknowledges that teamwork is essential, and building on the successes of IDEM Singapore 2014, we will again offer specially-designed programmes for the different dimensions of 'the dental team': New Dentists, Dental Technicians and Dental Therapists and Hygienists.

Please join us at Asia Pacific's premier dental exhibition and meeting to enjoy a truly world-class learning experience that develops a wide range of skills to accompany your personal journey in **'Striving for Clinical Excellence'**!

We look forward to welcoming you, your fellow dental team members together with the world-class presenters on the IDEM Singapore journey to clinical excellence.

**Dr. David C. Alexander**

# Scientific Poster Competition

Submit your outstanding research to the  
IDEM Singapore Scientific Poster Competition!

All abstracts accepted for the Competitive  
Poster Competition stand a chance to win  
up to SGD 6,000 in cash prizes!

Submission  
Deadline:  
**30 Nov  
2015**

## GUIDELINES

Submissions should fall into the following categories:

General  
Dentistry and  
Oral Health

Preventive  
Dentistry

Dental Treatment  
& Restorative  
Dentistry

Oral Surgery &  
Oral Medicine

Submit your poster abstracts via the online submission portal [bitly.com/idempostercomp](http://bitly.com/idempostercomp) before  
**November 30, 2015**. Abstract should not exceed 250 words and should contain the following information:

- Title (max 20 words)
- Specific Object of Study
- Method used (if pertinent)
- Result of the study in summary
- Conclusion

Abstracts should be submitted in good English and standard abbreviations may be used. Section breaks are not mandatory.

## JUDGING PROCESS

A preliminary jury will convene after the closing of the submission period to vet through all abstracts.  
Submissions will be split into two categories:

### Competitive

Posters in this category will undergo a second round of judging during IDEM Singapore 2016 and stand a chance to win cash prizes.

### Non-Competitive

Posters in this category will be displayed during IDEM Singapore 2016.<sup>^</sup>

*<sup>^</sup>upon successfully passing the first round of judging.*

Finalists must register as a conference delegate before **January 31, 2016** for their posters to be displayed.

For further questions, please email us at [idem@sda.org.sg](mailto:idem@sda.org.sg).

# New Dentist Forum

April 9, 2016 | Held on Level 3

New Dentists – those within five years of graduating with a dental degree and final year dental students – will have the opportunity of not only attending the main scientific sessions with all the world-class clinicians presenting, but will have a full day of two unique and exclusive sessions just for themselves. The line-up will include a diverse range of dentists and other professionals in the early stages of their career.

These fast-paced and highly interactive activities sessions will include such topics as:

- Identifying and selecting Career Pathways
- Navigating the university-to-work and student-to-professional transition
- Financial challenges – where to get advice and how to address major decisions
- Lifelong learning and sourcing credible evidence-based information – Art or science; Fact or fiction?
- Cutting-edge clinical topics presented entirely with the professional and developmental needs of the New Dentist in focus

One full day of the forum comprising of two exclusive sessions will be in round-table format, styled around the needs of 21st century learners. This allows for interactivity between presenter and audience and peer-to-peer among the participants themselves.

Presenters and session facilitators will be role-models and mentors who will talk from both bitter and sweet personal life experiences helping and guiding participants to a successful early stage career in the profession of dentistry and building a foundation for a fulfilling future.

Attendance will be limited to ensure optimum interactivity!

*The organizers would like to thank the following sponsors:*

*The New Dentist Forum is supported by:*

# Dental Technician Forum

April 8-9, 2016 | Held on Level 3

DENTAL  
TECHNICIAN  
FORUM

The **Dental Technician Forum 2016** will return to IDEM Singapore and will facilitate dialogue between leading manufacturers, inquisitive technicians and experienced speakers.

Discuss topics such as handmade vs CAD/CAM quality restorations, digital solutions for scanning, 3D-printing and soft reline materials. Also look forward to some of these features during the forum:

## Panel Discussions

Gather together with speakers to discuss their presentations, provide feedback on what is your experience or simply brainstorm solutions to problems.

## Table Clinic Presentations

Simultaneously hosted by sponsors and the industry's most respected speakers, these presentations will be of particular interest to you, if you are specialized in crown and bridge, orthodontics, implantology or prosthetics.

## ADA CERP®

Continuing Education  
Recognition Program

Centre for Advanced Professional Practices (CAPP) is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

*The organizers would like to thank the following sponsor:*

Co-Organizers

# Dental Hygienist & Therapist Forum

April 9 - 10, 2016 | Held on Level 3

A wide range of inspiring experts have been hand-picked to engage the oral health therapist in an informative and hopefully eye-opening forum.

Your delegate badge also entitles you to attend the main scientific conference and trade exhibition.

Time	April 9 - Saturday	April 10 - Sunday
0900 - 1000	<b>The Art and Science of Preventive Dentistry</b> Wong Mun Loke	<b>Risks, Problems and Processes for the Decontamination of Dental Handpieces</b> To be Announced

## Apply for A Visa

Most visitors to Singapore do not need an entry visa. However, a Visa Invitation Letter can be prepared to assist with your visa application, should you need one. Please fill up the request form at [www.idem-singapore.com](http://www.idem-singapore.com).

NEW

## Accompanying Person Programme

Explore What Makes Singapore Unique

Persons accompanying delegates can now enjoy the best of both business and leisure with the Accompanying Person Programme. This ticket will give you access to the trade exhibition on all 3 days and will allow you to take part in a half day tour to the Gardens by the Bay, Singapore's latest attraction and horticultural oasis.

Registration for the Accompanying Person Programme must be done in conjunction with the online delegate registration. Please select the accompanying person ticket in addition to the delegate ticket.

## Fun for the Entire Family - Optional Singapore Tours

Attendees traveling with their spouse or with family may be interested in booking one of these uniquely Singapore Experiences:

- **Afternoon Tea at the Intan (half day programme)**  
Have tea at the Intan a curious little private museum. Focused on Peranakan culture, this museum stands out as it is also a private home.
- **Leather Handicraft Workshop (half day programme)**  
Learn the fundamentals of working with leathers at this workshop. Make your very own passport holder or coin pouch.
- **Kite Making and Flying Experience (half day programme)**  
Make eco-friendly kites and send them soaring into the sky at the Marina Barrage.

Visit [www.idem-singapore.com](http://www.idem-singapore.com) for more information or contact our travel agent SingExpress Travel (Ms. Janet Chee) at [events@singexpress.com.sg](mailto:events@singexpress.com.sg).

# Download the IDEM Singapore Mobile App

Have the Entire Event at your Fingertips

Prepare yourself for IDEM Singapore by having the complete event information in the palm of your hand. Browse through our exhibitor list and find their booth on the floorplan or favorite the conference sessions you plan on attending. This digital personal assistant will help you plan all your activities and help you maximize your time at IDEM Singapore.

## Exhibitor List

Browse through the complete exhibition directory and pick out who you would like to meet.

## Conference Programme

Find out who is speaking where and at what time.

## Venue Plan

Use the app to help you find where an exhibitor is located.

## Favorite

Create the list of exhibitors that you want to visit and earmark the conference sessions you would like to attend with this feature.

## General Information

Not sure about where to pick up your badge or how to get to Suntec Singapore? Use this app feature to find out.

The app will be available for download from our website [www.idem-singapore.com](http://www.idem-singapore.com). Available for both Android and iPhone devices.
